## Ageas presents new 3-year strategic plan at Investor Day in London

Today, Ageas holds its annual investor meeting at which CEO Bart De Smet and the other Executive Committee members will present an update on Ageas's performance and achievements and the company's new strategic plan for the coming three years.

This year's investor meeting focusses in particular on the presentation of the new strategic plan for the next three years. The new plan is a natural evolution from the previous strategic plans Vision 2015 and Ambition 2018, underpinned by renewed choices and targets. The new strategy also considers the Group's longer-term views on the future of insurance and what Ageas needs to do to ensure it continues to deliver for every stakeholder.

The Investor Day can be followed via video [webcasting](#) as from 5:45 pm CET (4:45 pm UK time). The detailed programme of the day can be found on the [Ageas website](#).

The presentation from the Investor Day will be made available on the [Ageas website](#).
